of Correction

ATTN: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

We received a Certificate of Correction from the United States Patent and Trademark Office dated January 2, 2007 in response to our previously filed Request for Certificate of Correction filed on November 8, 2006. The received Certificate of Correction has a typographical error in it. In particular, in the November 8, 2006 Request for Certificate of Correction, Applicants requested that "slots" at column 18, line 34 be changed to --slot--. However, the Certificate of Correction mailed on January 2, 2007 incorrectly makes the requested change at column 17, line 34, not column 18, line 34. Applicants are therefore

submitting this second Request for Certificate of Correction and attached PTO/SB/44 form and request that a new Certificate of Correction be issued.

It is believed that no fee is required for this Request for Certificate of Correction as the error was made by the United States Patent and Trademark Office. However, if a fee is required, the Commissioner is authorized to charge said fee to the undersigned's Deposit Account No. 20-1430.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Patrick R. Jewik', with a stylized flourish at the end.
